This budget does not include the cost of international travel, keeping an automobile, or babysitting. Actual tuition rates, other fees, and living expenses may vary from this estimate. Official tuition rates are set each year in summer for the upcoming academic year.

* The category includes amounts needed for clothing, telephone services, laundry, recreation, household maintenance, etc.

Note: All fees are subject to any changes approved by the UT Board of Trustees prior to the beginning of a term.

Students must show proof of funding for two academic terms and 12 months of living expenses in order to be issued an I-20.
