Extra Expense for Each Child	\$ 4,600

(Estimated insurance expenses for spouse is approximately \$2,520 per year. Estimated insurance expenses for each child is approximately \$2,520 per year. Rates are subject to change without prior notice.)

Additional charges per credit hour will be assessed for courses in Engineering, Business and Nursing. Please refer this page <http://onestop.utk.edu/tuition-fees/> for additional information.

This budget assumes the student does NOT attend the Summer Semester. The living expenses are for 12 months.

This is a relatively conservative budget for a student and assumes the student is sharing housing. While some students may get by with less, others find this a tight budget. This budget does not include the cost of international travel, keeping an automobile, or babysitting. Actual tuition rates, other fees, and living expenses may vary from this estimate. Official tuition rates are set each year in summer for the upcoming academic year.

+ Insurance rate is based on 12-month coverage and is subject to change without prior notice.

* The category includes clothing, telephone services, laundry, recreation, household maintenance, transportation, etc.

Note: All tuition and fees are subject to any changes approved by the UT Board of Trustees prior to the beginning of a term.
